ADDICT EVALUATION AUTHORITY
NOTICE AND CONDITIONS OF
RELEASE AND/OR CIVIL ADDICT
PAROLE**

Number:

01/26

Date Issued:

December 10, 2001

The purpose of this Informational Bulletin is to officially announce the revision to the California Department of Corrections' (CDC) Form 1515-L, Narcotic Addict Evaluation Authority Notice And Conditions Of Release And/Or Civil Addict Parole.

The CDC 1515-L was combined with the CDC 919, Conditions Of Parole, and revised into one inclusive form through a joint effort of the CDC and the Narcotic Addict Evaluation Authority Board. The CDC 919 is now obsolete. The revised CDC 1515-L (Rev 10/01) will be used for both civil addict releasees and parolees, and eliminates the need for two forms which should reduce the workload for parole agents.

Effective upon receipt of this bulletin, all affected staff shall use the CDC 1515-L when processing the conditions of parole for civil addict releasees and parolees.

The CDC 1515-L (Rev 10/01) is a 8 ½" x 11" one sided, 3 part form and may be ordered from Prison Industry Authority on a CDC Form 1853 in sets of 167 or more.

Please inform all persons concerned of the contents of this bulletin. Please direct any inquiries regarding this bulletin to Greg Grove, Parole Agent III, Parole and Community Services Division at (916) 323-4072.
